15MC

18MCP

DESCRIPTION

Star® hot food merchandisers are the best way to serve pizzas or other pre-cooked menu items. These units are an outstanding solution to heat and serve product in convenience stores, snack bars, recreational facilities, theme parks, concession stands, or wherever you might want to serve a consumer on the go.

SPECIFICATIONS

Star® hot food merchandisers will be constructed with heavy-duty aluminum corner posts and 3/16 in. (5 mm) thick tempered glass. Units will incorporates a glass door with full length handle designed to stand up to commercial use. "PT" units will also feature a second door to operate in a pass-through style. 15MC units will be equipped with one [1] incandescent light and a lower heating element controlled with an infinite temperature switch. 18MCP units will be equipped with two [2] incandescent lights and two [2] heating elements [one for each shelf] controlled with two [2] infinite temperature switches. Each unit will use a 6 ft. (1.83 m) cord and plug appropriate for the unit's electrical requirements.

WARRANTY

These units come with a one [1] year warranty for parts and labor.

FEATURES

- Ideal visual merchandising solution for pizza and a variety of other pre-cooked product
- Adjustable infinite temperature controls allow fine tuning of temperature throughout the day
- Plastic top allows application of attractive graphics to increase grab and go impulse sales
- Thermometer located on the interior of the unit to easily read cabinet temperature

15MC[PT] Models

- Forced air system circulates air throughout the cabinet keeping your menu items at proper serving temperature.
- Three perforated shelves [12.25 in. (311 mm) wide by 12.75 in. (324 mm) deep] that easily adjust to flat or angled positions
- Interior incandescent light showcases products and increase impulse sales

18MCP[T] Models

- Two individually heated stainless steel shelves [17.5 in. (445 mm) by 17.5 in. (445 mm)] that easily hold pizzas up to 16 in. (406 mm), keeping them at proper temperature to serve hot, fresh, and fast
- Interior incandescent lights showcases products and increase impulse sales
