

Station Component Guide

1-2-3-4 Select lids and other accessories

- Clear plastic or stainless steel in lift-off and hinged styles
- Hinged lids securely attach to fountain jar
- Front notch allows full closure around ladle handle
- Ice packs and lid locks offer extended cold holding time and food security when used in an insulated base

Hinged lid with disher opening allows complete closure around disher handle (fits standard fountain jars).

d (jar sold separately)
