Bid Description

The Simple Serv™ self-service topping station dispenses a creamy dollop of Rich's® dessert topping from a specialized 12 oz (340 g) pouch with a simple handle pull. The topping requires no refrigeration allowing the unit to conveniently perform without electricity. Constructed of stainless steel with a brushed (#4) finish and black ABS plastic door and drip tray. A door window allows staff to easily monitor product usage while an easy load/unload design promotes timely refilling.

Standard Features

- Rugged construction is ideal for use in self-serve environments
- Works exclusively with a specialized 12 oz (340 g) pouch of Rich's® Dessert Topping
- Window on front helps monitor usage for timely refilling
- NSF Listed
