Designed Smart

Heavy-Duty Stepped Hot Plates with a low profile design are only 13 7/8" tall to range surface making them ideal for use on refrigerated cabinets or countertops. Heavy-Duty Series Hot Plates are designed to mix and match with the Heavy-Duty Char-broilers and Griddles.

The Heavy-Duty Stepped Hot Plate feature exceptionally heavy, removable, individual cast iron top grates. Four widths are available including a 12" wide (305mm) two-burner, 24" wide (610mm) four-burner, 36" wide (915mm) six-burner and a 48" wide (1220mm) eight-burner. The HHPS features a 3" (76mm) step-up on the rear burner(s). The HHPS Series features two high-performance, cast iron, 30,000 BTUH burners located every 12" with lift-off burner heads for easy cleaning and with individual, operator-controlled valves. Patented valve has a low setting of only 5,000 BTUH for simmering and energy savings.

The interior combustion chamber is heavy-duty heat resistant 12- and 16- gauge steel, and is hand-welded for strength and durability. Standard features include all stainless steel and aluminized exterior, stainless steel landing ledge, optional stainless steel backsplash and large capacity, slide-out stainless steel crumb tray. Additional features include individual 3/4 " NPT rear gas connection in natural or LP gas, pressure regulator and heavy duty 4" (102MM) adjustable legs.

APW Wyott Design Features

- 30" deep range top
- Heavy gauge, hand-welded, heat-resistant steel combustion chamber
