

# Cateraide™ IT

NEW!

Carlisle brings you the best in temperature retention products with the newly designed Cateraide IT – insulated transport line. The Cateraide's sturdy construction offers a long-lasting product.

## Features Include:

- Thick foam insulation holds temperatures in the safe zone for over 6 hours
- Button-hole latch design offers convenient one hand operation and keeps the doors and lids closed tightly for better temperature retention
- Latches are field adjustable to insure a secure seal for the life of the carrier
- End loader's exclusive low-profile double hinge opens 270° for easy loading and unloading; lies flat to save space and makes it less likely to break
- End Loader's door hinge can be removed for easy, thorough cleaning
- End loader and top loader have built-in seal to eliminate gaskets
- End loader and top loader have a flat top that can be used as a prep surface when space is limited
- Beverage dispenser has "spring action" faucet for no drip service
- Units feature secure stacking for easy transport and storage
- Sure-grip handles promote a safe, stable two-person lift for easy loading and unloading

## End Loader Options:

- Pre-drilled holes in end loader allow permanent 5" non-marking casters (2 locking) to be added
