High-Performance Food Blender

HBF400

Excellent performance for back-of-the-house food preparation.

HBF400

Unique Features

Food Blender

2 Speeds with Pulse - Designed for precision blending, mixing, chopping, and pureeing a wide variety of food and drink mixtures.

Timer with Automatic Shutoff - Helps prevent overblending and frees up operators for other tasks.

1 Hp Motor - Offers excellent power and torque and features an all-metal drive coupling for lasting performance.

64 oz. Stainless Steel Container - Extra-large capacity saves time when blending for large groups; comfortable, easy-to-grip handle makes pouring heavy contents easier.

Removable Dosing Cup - Lets the operator easily add liquid while blending without spillage.

Stainless Steel Blades - Quickly cut through ingredients for easy blending.
