# PRO-MAX<sup>®</sup> GROOVED TWO-SIDED GRILLS WITH ELECTRONIC CONTROLS & WITH PRO-LIFT™ HINGE

Models CG10IE, CG14E, CG14IE, CG14IEGT, CG28IE & CG28IEGT

## Features/Benefits:

- ★ Expand your menu with Star's Pro-Max grooved two sided grill. Prepare "Panini" sandwiches, chicken breasts, hamburgers, steaks, vegetables and many other menu items quickly and easily while maximizing space.
- ★ Heavy-duty 10", 14" and 28" cast iron or aluminum platens provide long life and superior performance keeping up with your menu requirements.
- ★ Electronic programmable timer from 0 to 9:59 minutes with "LED" display. The timer counts down the cooking time taking the guess work out of preparing food and is equipped with an audible alarm to signal when the timer reaches zero.
- ★ The Star Pro-Lift hinge system provides for unmatched reliability with safe and effortless operation. The top platens lift parallel to the bottom platen for a full three (3) inches before rotating up so that thin tortillas or tall sandwiches and burritos cook evenly.
- ★ Spacious grilling height accommodates product up to 3" with 3-4 pounds of pressure for proper cooking between platens.
- ★ Top and bottom grill cooks your menu items in half the time, sealing in the flavor.
- ★ The bottom platen has a patented splash guard to help keep products and grease in their place.
- ★ Ergonomically designed control panel provides easy access to controls and grease drawer.
- ★ Heavy gauge, water resistant flexible plastic conduit protects electrical connections.
- ★ On/off 3-position switch :
  - Top position operates both top and bottom platens.
  - Bottom position operates bottom platen only.
  - Middle is the OFF position.
- ★ Thermostat is rated from 175°F (79°C) to 550°F (302°C) and provides accurate sensing of temperature.
- ★ Removable, large capacity grease drawer in the front of unit for easy clean up.

Model CG14IE

## Application:

Star's "Panini" Grills can prepare sandwiches, chicken breasts, hamburgers and a variety of other menu items in your restaurant, cafe, concession stand, bar, or wherever you need high performance cooking. Grills are compact and portable providing flexibility in your operation.

## Quality Construction:

Star's Two-Sided "Panini" Grills are constructed of 18 gauge stainless steel. Units available with cast iron or aluminum grooved platens. The Pro-Lift™ Hinge System is constructed of hardened aluminum for strength and durability. Metal tubular elements are standard. The lead-in cord is resistant to water and oil and has metallic braiding to protect wiring. Furnished with a 6' cord and standard NEMA plug.

## Warranty:

Star's Two-Sided Grills are covered by a one year parts and labor warranty.

\* "GT" models have grooved top platen and smooth bottom platen.

NOTE: Units weighing more than 80 pounds have standard 4" legs.

\*\*Canadian Requirements

**Typical Specifications**

Two-Sided Grills are constructed with an 18 gauge stainless steel body. Cast iron or aluminum grooved platens are standard. The Pro-Lift™ Hinge System provides easy operation of the top platen. Grilling height between platens accommodates up to 3" with the Pro-Lift™ Hinge System providing 3-4 pounds of pressure to the cooking product placed on bottom platen. Metal sheathed tubular elements are standard. Adjustable non-skid feet are standard. Unit is provided with a six foot power cord and Nema rated plug (see specifications above). Units are approved by UL, UL Sanitation to NSF Standard 4 or UL Canada Standards. Printed in the U.S.A.
