Typical Specifications

Star's Humidity Cabinets are constructed with stainless steel, tempered glass panels and doors, and aluminum extrusion corner posts. Two thermostats are provided, one for temperature and the second for humidity control. A 3 quart water reservoir with drain tube is standard. Units supplied with either 3 stationary 13-1/2" x 11-1/8" flat shelves, or with revolving 3 tiered pizza racks or 3 tiered pretzel racks. Units come complete with low water indicator light, on-off switch, and a 6 foot lead-in cord with plug, NEMA #5-15P (120V) or NEMA #6-15P (240V). Units are UL and UL Sanitation approved. Printed in the U.S.A.
