

Simply Better™ Corn Butterer

JACCARD®

LEGENDARY QUALITY SINCE 1962

INNOVATIVE AND COMPELLING PRODUCTS FOR YOUR LIFE

Stainless steel transfer plate is contoured to your corn cob – making buttering a snap.

Single direction pusher and built-in salt & pepper dispensers for extra convenience.

Easy disassembly for fast and simple cleaning. Dishwasher safe.

Removable drip tray eliminates mess.

Features

- ❖ Effectively takes the mess out of buttering corn by eliminating direct contact with hands and fingers.
- ❖ Corn cob-contoured, stainless steel heat transfer plate eliminates contamination of butter.
 - ❑ Butter does not come into direct contact with corn -- for enhanced safety with less mess and reduced risk of contamination.
- ❖ Handy, snap-on drip tray helps eliminate mess and provides for easy storage after use.
- ❖ Includes built-in, removable salt & pepper dispensers for easy replenishment.
- ❖ Exclusive and patented design – both attractive and distinctive.
- ❖ Dishwasher Safe.
- ❖ Backed by Jaccard's Limited Lifetime Warranty.
