

Safe Cook™ Single-Use Timers

JACCARD
LEGENDARY QUALITY SINCE 1962

INNOVATIVE AND COMPELLING PRODUCTS FOR YOUR LIFE

Features

- ❖ "Safe-Cook" Timers are designed to pop-up when recommended internal temperature is reached.
- ❖ Ensure safe cooking to USDA recommended internal temperatures to help prevent food-borne illnesses due to under-cooked meat.
- ❖ Available in a range of popular meat types, including beef, pork, veal, poultry, seafood and game.
- ❖ Safe Cook™ Timers offer precise internal temperature indications to:
 - 145°F (seafood)
 - 160°F (beef, pork, veal)
 - 170°F (poultry pieces)
 - 180°F (whole poultry)
- ❖ Exclusive "arrow point" design allows single-use timers to insert easily into any type of meat.
- ❖ Available in economical multi-packs:
 - 15 pcs
 - 25 pcs
 - 50 pcs
- ❖ Backed by Jaccard's Limited Lifetime Warranty.
