Model : MST-28-12

Patented Self-Cleaning Condenser

This product is equipped with a fine mesh filter to the front of the condenser to catch dust, and a rotating brush that moves up and down daily to remove excess buildup outward and away.

≡ FEATURES & BENEFITS ≡

- **Maintenance-free, Self-Cleaning Condenser (patented) Only at Turbo Air**
 The accumulation of dust in the condenser causes the failure or breakdown of refrigerators. Refrigerators run normally until they reach a certain level of accumulation. At some point, when they are over the limit, their performance drops quickly resulting in damage to, or disposal of the stored products in refrigerators. The self-cleaning condenser device keeps the condenser clean and prevents system failure by automatically brushing daily.
- **Cold air compartment**
 Our innovative "Cold Air Compartment" maintains temperature evenly for each pan to preserve fresh food longer. In addition, the compartment isolates pans from the reach-in area to prevent food spillage.
- **Stainless steel cabinet construction**
 The Turbo Air M3 model boasts a stainless steel exterior (galvanized steel back and bottom). Interior is stainless steel floor with AL sides and back. It guarantees the utmost in cleanliness and long product life. It can add a touch of style to the most refined setting.
- **9-1/2" deep, 1/2" thick cutting board included with convenient side rail**
- **Field reversible hinge**
- **Insulated pan cover**
- **Efficient refrigeration system**
 Turbo Air's M3 solid door refrigerators are designed with oversized and balanced (CFC Free R-134A) refrigeration systems. These include efficient evaporators and condensers for faster cooling and greater efficiency.
- **High-density CFC free polyurethane insulation**
- **Magnetic door gaskets**
- **Adjustable, heavy duty, PE (polyethylene) coated wire shelves**
- **Refrigerator holds 33°F ~ 39°F for the best in food preservation**

Design and specifications subject to change without notice.

Actual shipping weight may differ due to extra packing materials for product protection.

* Depth does not include 1" for rear spacers.

† Height does not include 5" for caster height.

■ WARRANTY : 3 Year Parts and Labor Warranty Additional 2 Year Warranty on Compressor

- **Self-contained system**
- **Standard 4" dia. swivel casters with locks on the front set**
- **Standard 1/6 size, 4" deep condiment pans included**
- **2.5" dia. casters available (optional)**
- **Legs available (optional)**
- **Removable food covers available (optional)**

■ OPTIONAL ACCESSORIES :

- 2.5" caster, 1/2" diameter & 13 TPI: 30265H0100 (non-brake), 30265H0200 (w/ brake)
- 5" caster, 1/2" diameter & 13 TPI: M726500100 (non-brake), M726500200 (w/ brake)
- 6" ABS plastic leg: 30221M0200
- 6" stainless steel leg: 30221M0600
- Additional PE coated wire shelf: WM27800100
- Removable food cover: RCT-28-12
- Door lock: extra lead time will apply, please call factory for more details to order
- External digital thermometer: extra lead time will apply, please call factory for more details to order
