Warmer Drawers

Models:

WD-20, WD-21A,
WD-35A, HWD-100

The Roundup® Warmer Drawer has a unique water tray that reduces the moisture loss that occurs as dinner rolls and buns are warmed. Easily adjustable controls allow you to tailor the temperature and amount of humidity required for the bread product.

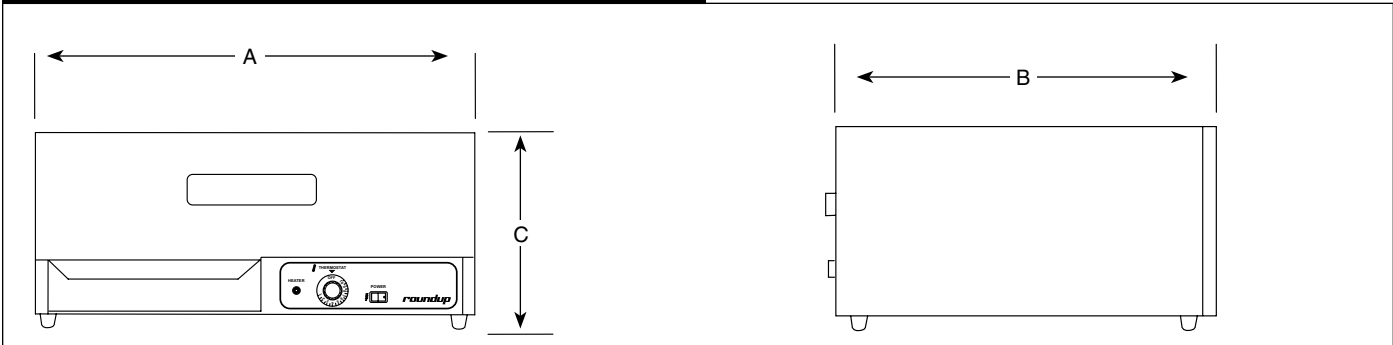

The Warmer Drawers are designed to be used separately, stacked or to fit under the Roundup Hot Dog Corrals.

Your Warmer Drawer is manufactured from the finest materials available and is assembled to Roundup's strict quality standards. This unit has been tested at the factory to ensure dependable trouble-free operation.

Features:

- Designed to be Used Separately or Stacked Under an HDC Unit
- Creates Hot, Moist Environment to Keep Products from Drying Out
- Easily Adjustable
- Unique Water Tray Design to Minimize Moisture Loss
