Warmer Drawer Model: WD-50

The Roundup® WD-50 Warmer Drawer keeps food warm and ready to serve using easily adjustable controls that allow you to tailor the temperature for your product.

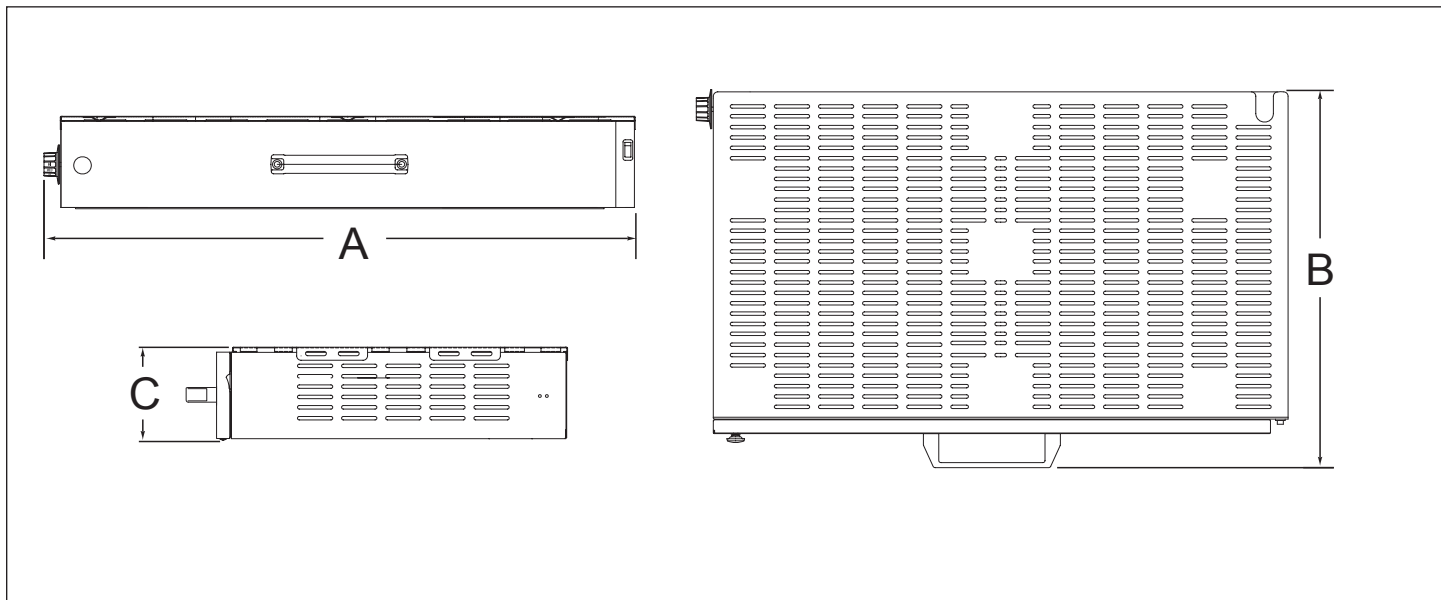

The WD-50 is designed to be used separately, stacked, or fit under the HDC-50A Hot Dog Corral.

The WD-50 is manufactured from the finest materials available and assembled to Roundup's strict quality standards. Each unit is tested at the factory to ensure dependable trouble-free operation.

Features:

- Holds a variety of protein-based food products.
- Easy to clean.
- Precise temperature controlling thermostat for food safety.
- Stainless steel construction for long life.
- Holds one two-thirds size 2 1/2" (64 mm) deep pan and two one-third size 2 1/2" (64 mm) deep pans.
