

CleanSenz™

PURE, PLASTIC DISPENSERS

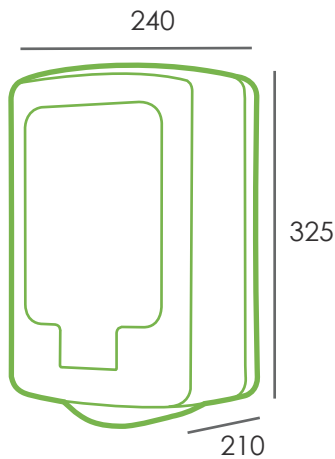

PURE AUTOCUT HAND TOWEL DISPENSER

A range of durable and reliable dispensers for paper and soap products. Available in pure white or transparent blue.

Ocean Blue has the advantage of giving a clear indication of usage and preventing shortages from occurring, a critical factor for hygiene sensitive areas.

The transparency also prevents undesirable items from being concealed in public buildings such as airports, schools, prisons and hospitals.

Pure White dispensers are neutral, clean and hygienic looking. They blend with the décor of most washrooms and offer the perfect canvass for corporate branding.
