INDICATOR ALLOWS FOR QUICK USE

REDUCE COSTLY ACCIDENTS FROM UNSTABLE TRAYS

safetray[®]

In A Recent Survey...

- 90% of waiting staff have had an accident with a tray or have seen someone else have an accident
- 30% of staff said the accident incurred a cost of more than \$60
- 43% said the accident ruined a customer's clothing with spilled drinks

Let Safetray help you and your establishment

- The Safetray is a great training tool for high turnover in staff or new servers just starting out.
- Reducing spills in your establishment will help with repeated customer visits as well as cutting down on dry cleaning bills.
- Diminishing breakage leads to saving money in glassware and liquor.
- Fewer spills and breakage improves safety for employees and customers.
