## Queen Mary - Stainless

These units are built for transporting big loads for banquets, catering, and bussing. The solid shelves have marine edges that add strength and contain spills.

- Framework is constructed of 1 3/4" x 1 3/4" x .100" wall Queen Mary Tube (tube with 3/4" radius to the outside of unit).
- Removable shelves are constructed of 16-gauge stainless steel.
- Base is constructed of 1 3/4" x 1 3/4" x .070" wall tubing.
- Equipped with four 8" platform type casters, two swivel and two rigid.
- Five-Year Guarantee against material defects and workmanship.
- Lifetime Guarantee against rust and corrosion.
