- Self-contained fire extinguishing system; high-volume extinguisher tank for an added measure of safety.
- Coated, non-stick cook basket.
- Under-Cabinet Drip Pan to help minimize clean-up.
- Two (2) year "Top to Bottom" parts and labor warranty ... five (5) years on Cooking Controller.

### Design Features

#### FAST and EASY TO USE!!

**Ventless Hood System** features economical 2-stage air filtration process.

- Cleanable stainless steel Baffle Filter condenses and removes the majority of grease-laden vapor.
- Disposable Charcoal Filter aids with elimination of cooking aromas.

No expensive HEPA filters to replace ... simply wash the Baffle Filter in the dishwasher and replace the inexpensive Charcoal Filter regularly.

#### High-Volume Extinguisher System

Feel secure knowing our system will extinguish an accidental fire quickly and completely, larger amount of extinguishing agent helps minimize any re-ignition risk.

**Optional - GFW Ceramic Warmer**  
 Keep cooked product hot and ready with a GFW Food Warmer! Mounts easily without tools.
