

Soup Merchandisers

Turn your customers on to the idea of a hearty bowl of soup with these functional and inviting soup warmer merchandisers, each adorned with a classic-looking "Soup for all Seasons" graphic theme. Stainless steel construction upholds an attractive appearance and ensures durability, while the band heating maintains an even holding temperature and prevents hot spots. Twin warmers have separate thermostats for better temperature control. Plus, the header comes with an assortment of interchangeable tab cards bearing the names of almost 100 popular soups.
