

Only from Nemco!

Grab 'n Go Food Merchandiser

When space is a point-of-sale premium, get an added profit punch with this brilliant countertop overachiever.

Manufactured
In The USA 

Pound for Pound Your Strongest Seller

Virtually no counter is too crowded for this workhorse unit. The Grab 'n Go Merchandiser is specially designed to find its way in front of your hungry customers—no matter how limited the space.

Style & Performance

The Grab 'n Go does everything in its power to sell, with features like:

- A narrow face and deep profile for a subtle, but extremely effective, sales position—even next to the cash register!
- Strategically placed lighting.
- Foil rope elements for uniform heating across each shelf.
- Easy-to-use, interchangeable magnetic nameplates.

Small Footprint, Big Payoff

Nemco maximizes your ROI with a unit that's built to last.

- Stainless-steel construction.
- Black powder-coat textured finish.
- High-quality polycarbonate sides.

Removable header can change out for different dayparts.

Recessed door (backside) with sleek radiused handle adds visual appeal.

¼"-thick polycarbonate panels for durability.

Food ID magnets affix to each shelf face.

Shelf 'stops' prevent food from sliding forward.

½" rubber feet alleviate slipping on counter surface.

Other Features

- Each shelf features foil-rope heating element that delivers uniform temperature across the entire surface area.... No hot or cold spots.
- Lighting at the top and under each shelf showcases food.
- Energy-saving CFL (compact fluorescent light) bulb lasts up to 15x longer than conventional bulbs.
- Adjustable temperature control from 90°–200°F.

Suggested Uses:

Nemco's countertop Grab 'n Go Merchandiser is a hot sales solution for convenient stores, concession stands, kiosks, clubhouses, snack shops and other high-traffic retail operations short on space. Great for holding and showcasing sandwiches, muffins, cookies, pastries and other on-the-go favorites.
