

SlidingLid™ Ice Caddies

Indoors or outdoors, in heat or humidity, these sleek ice caddies keep their cool and hold ice cold for days! The polyethylene body and thick foam insulation provide durability and long lasting ice storage. The unique sliding lid helps reduce the risk of cross contamination. It slides back and under for quick and easy access and it slides shut for safe and sanitary storage. Recessed well and drain shelf keep ice out of water, extending holding times. Recessed handle on front end for easy moving or lifting. Easy to clean. No assembly required.
