

Insulated Plastic Beverage Dispenser

ITEM NO. _____

QUANTITY NO. _____

JOB NO. _____

SPEC NO. _____

Features & Benefits

- Perfect for transporting, holding and dispensing hot & cold beverages
- One piece, seamless design with smooth interior walls and rounded corners for easy cleaning
- Made of tough one-piece polyethylene construction that is dishwasher safe, chip & dent proof, as well as scratch & stain resistant
- Polyurethane foam insulation maintains hot and cold temperature for hours without need for exterior heating/cooling sources
- Strong, easy-to-open latches insure tight seal to maintain holding temperature
- Plastic latches will not bend or rust
- Stable stacking for transporting and storage
- Gasket-less, tight fitting lid maintains temperature and prevents leaking
- Drip-proof spigot is recessed for easy dispensing
- Comfortable handles are molded into the unit for easy transporting
- Holds 5¼ gallons (20 liters) and serves 96 (7oz.) cups
- Vent cap releases steam and equalizes pressure
- Comes fully assembled and ready to use
- Available in black
