

Harmony Nautilus Chafers

Harmony Rect. Chafer
with nautilus window
57 5166 Full Size

- ❖ Stainless steel, mirror finish
- ❖ Clear polycarbonate "fog-resistant" window allows a view of food without opening cover - greatly reducing heat loss
- ❖ Vents in cover minimize condensation
- ❖ Cover has built-in stop at 140° for single-side serving and fully retracts to 180° for two-sided serving
- ❖ Rubber stops to protect finish
- ❖ Clutch system keeps cover from free-fall close
