

# CR220WH

3.38" x 11.88" x 19.7" (H x W x D)

230V two-burner cooktop in white ceramic glass, made in Europe

### Highlights:

Two-burner electric cooktop with 230V operation

Smooth white ceramic glass surface offers easy cleanup and modern style

Includes push-to-turn knobs and heat indicator light for safer use

### Product Features:

Smooth white surface made from Eurokera glass    Easy cleanup and elegant style on a smooth ceramic glass surface

Two heating elements    2 1200W burners, each with 6" diameter and manufactured for SUMMIT by E.G.O. of Germany, considered by many to be the finest in the world

Push-to-turn controls    Prevents accidents by requiring a small amount of force to turn on cooktop heat

Residual heat indicator light    Indicates when surface is still hot to touch

Designed for built-in installation    Fits counter cutout sizes that are 11 1/8" wide by 19 1/8" deep

ADA compliant design    Upfront controls and easy-to-operate knobs offer easier accessibility
