

FF510LMED

33.0" x 20.0" x 20.63" (H x W x D)

Compact all-refrigerator for medical use, with internal fan, lock, temperature alarm, and hospital grade plug

Highlights:

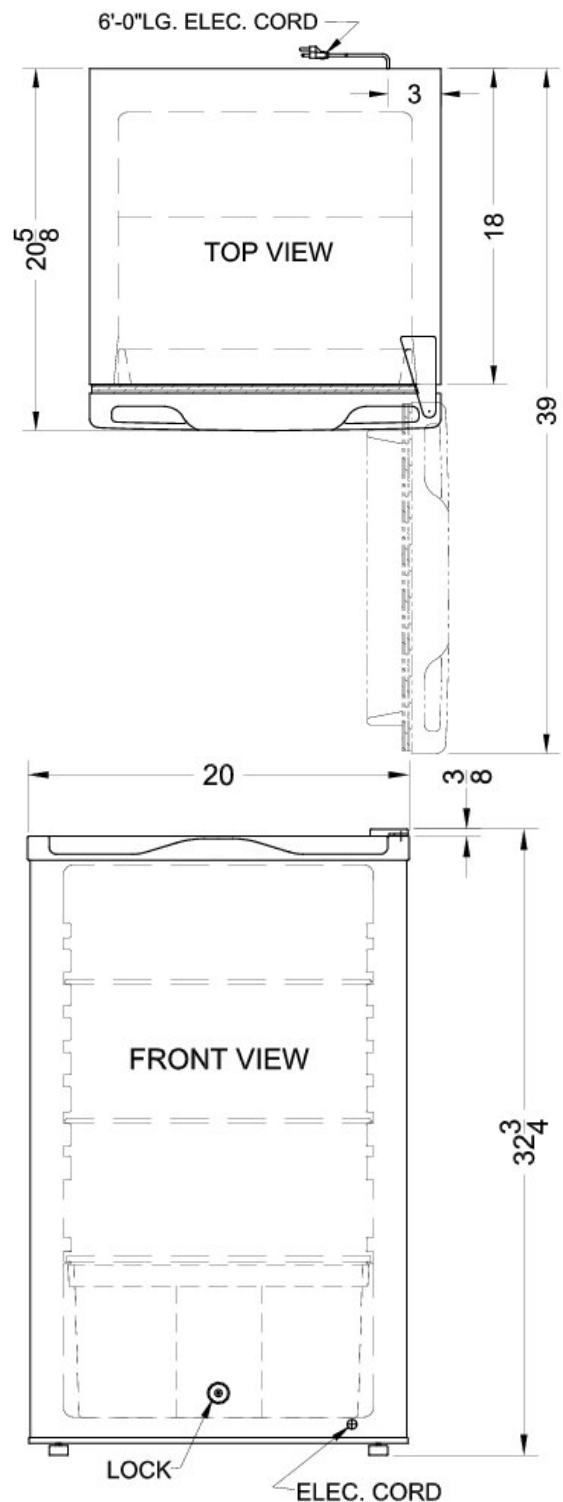

- Fully featured for use in medical settings
- Automatic defrost saves on user maintenance
- Factory installed lock provides security you can count on
- Internal fan for even temperature distribution

Fully finished cabinet	Allows the refrigerator to be used as a freestanding model
Factory installed lock	Keep contents secure with a key lock on the door
Internal fan	Installed for even temperature distribution
Hospital grade cord	Equipped with green dot plug to prevent the cord from becoming accidentally unplugged
Alarm with temperature display	Temperature alarm warns of interior fluctuations while providing an external temperature readout on the door
Automatic defrost	Simplify appliance care by letting your refrigerator defrost itself
Adjustable shelves	Rearrange your refrigerator space to accommodate all shapes and sizes or remove shelves for a simple clean-up
Door storage	Store large bottles right on the door for easy access
Adjustable thermostat	Control the interior temperature with ease and accuracy
Thin-line design	Slim 20 inch width makes this unit perfect for locations tight on space
