

## SBC490

51.38" x 23.63" x 24.63" (H x W x D)

Full-sized freestanding beer dispenser for home use, with black exterior and tap kit

### Highlights:

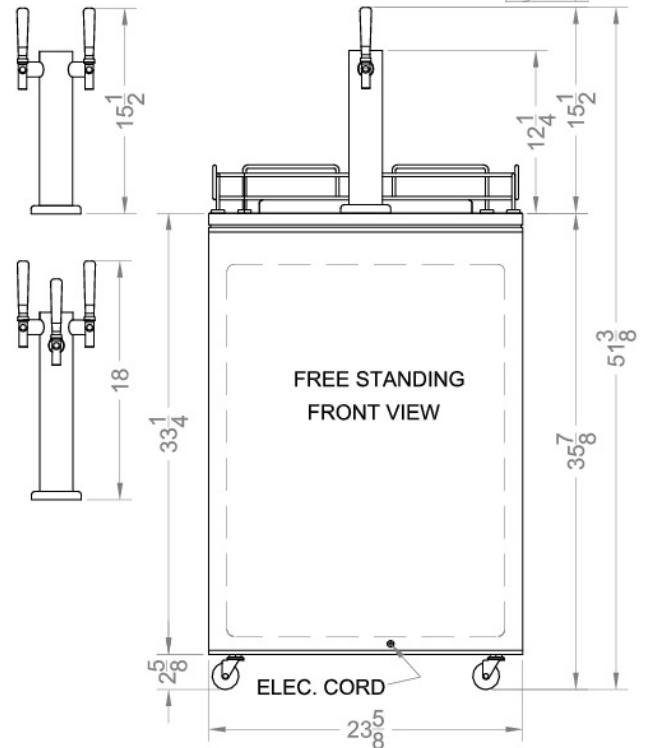

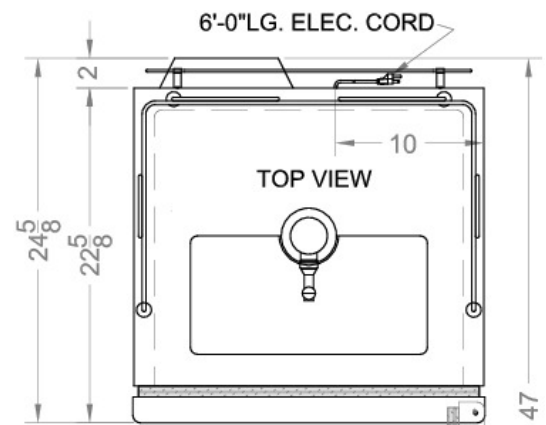

- Converts to a refrigerator for added convenience
- Accepts half, quarter, and mini kegs of your favorite brew
- Includes everything you need to pour the perfect draft
- Ships with sturdy casters to install for optional portability

Full-sized	Large interior accepts half, quarter, and mini kegs
Fully finished black cabinet	Allows the beer dispenser to be used freestanding
KIT 490 included	Includes a 5lb. CO2 tank and regulator, draft arm, Sankey American tap, connection hardware, and cleaning kit
Convertible to a refrigerator	Transform the beer cooler into a standard refrigerator with adjustable shelves
Automatic defrost	Simplify appliance care by letting your beer cooler defrost itself
Adjustable thermostat	Control the interior temperature with ease and accuracy
Casters included (ships unassembled)	To make the beer dispenser portable, install this sturdy set of casters to the base of the unit
Top guard rail (ships unassembled)	Install this silver rail on top to reduce spills and neaten service
100% CFC free	Environmentally friendly design without ozone-damaging chemicals
