

SCFF51OSCSS

SUMMIT SCFF51OS Series features versatile frost-free all-freezers perfectly sized and featured for convenient use in home kitchens or outdoor spaces.

The SCFF51OSCSS is a 24" wide all-freezer designed for built-in or freestanding use. The cabinet and door are fully wrapped in 304 grade stainless steel for a professional look designed to hold up to the outdoor elements. The door includes a factory installed lock for added security and a towel bar handle in brushed stainless steel.

Inside, the SCFF51OSCSS is designed for true convenience and low maintenance operation. The frost-free design ensures users won't have to manually defrost the 4.9 cu.ft. interior, while adjustable shelves offer flexible storage solutions. Recessed LED lighting provides an attractive, energy efficient display. A digital thermostat (located in the unit's kickplate) makes temperature management easy and intuitive.

With solid construction and a striking design, the SCFF51OSCSS makes an ideal finish for any outdoor kitchen.

Highlights

- Designed and approved for use in the outdoors
- True frost-free operation saves you maintenance by preventing icy buildup
- Flexible design allows built-in or freestanding use in 24" wide spaces
- Digital thermostat allows easy temperature management
- Factory-installed lock offers security you can count on
- Fully wrapped in 304 grade stainless steel
- Professional towel bar handle completes the look
