

## SCFF51OSSSHH

SUMMIT SCFF51OS Series features versatile frost-free all-freezers perfectly sized and featured for convenient use in home kitchens or outdoor spaces.

The SCFF51OSSSHH is a 24" wide all-freezer designed for built-in or freestanding use, with a fully finished jet black cabinet and 304 grade stainless steel wrapped door. The reversible door includes a factory installed lock and a thin stainless steel handle mounted horizontally for a modern look.

Inside, the SCFF51OSSSHH is designed for true convenience and low maintenance operation. The frost-free design ensures users won't have to manually defrost the 4.9 cu.ft. interior, while adjustable shelves offer flexible storage solutions. Recessed LED lighting provides an attractive, energy efficient display. A digital thermostat (located in the unit's kickplate) makes temperature management easy and intuitive.

With solid construction and a striking design, the SCFF51OSSSHH makes an ideal finish for any outdoor kitchen. For this unit without a front lock, see the SCFF51OSXSSHH.

### Highlights

- Designed and approved for use in the outdoors
- True frost-free operation saves you maintenance by preventing icy buildup
- Flexible design allows built-in or freestanding use in 24" wide spaces
- Digital thermostat allows easy temperature management
- Reversible 304 grade stainless steel wrapped door for long-lasting luxury
- Horizontally mounted stainless steel handle adds a modern look
- Factory installed lock offers trusted security

### Features
