

## SWCD40

33.0" x 23.63" x 22.25" (H x W x D)

Two-drawer dual zone wine cellar with digital thermostats and slide-out wooden shelves; built-in or freestanding

### Highlights:

Flexible design allows built-in or freestanding use in 24" wide spaces

Dual zone setup lets you separately store reds and whites at their ideal temperature

Electronic controls for precise temperature management with elegant LED display

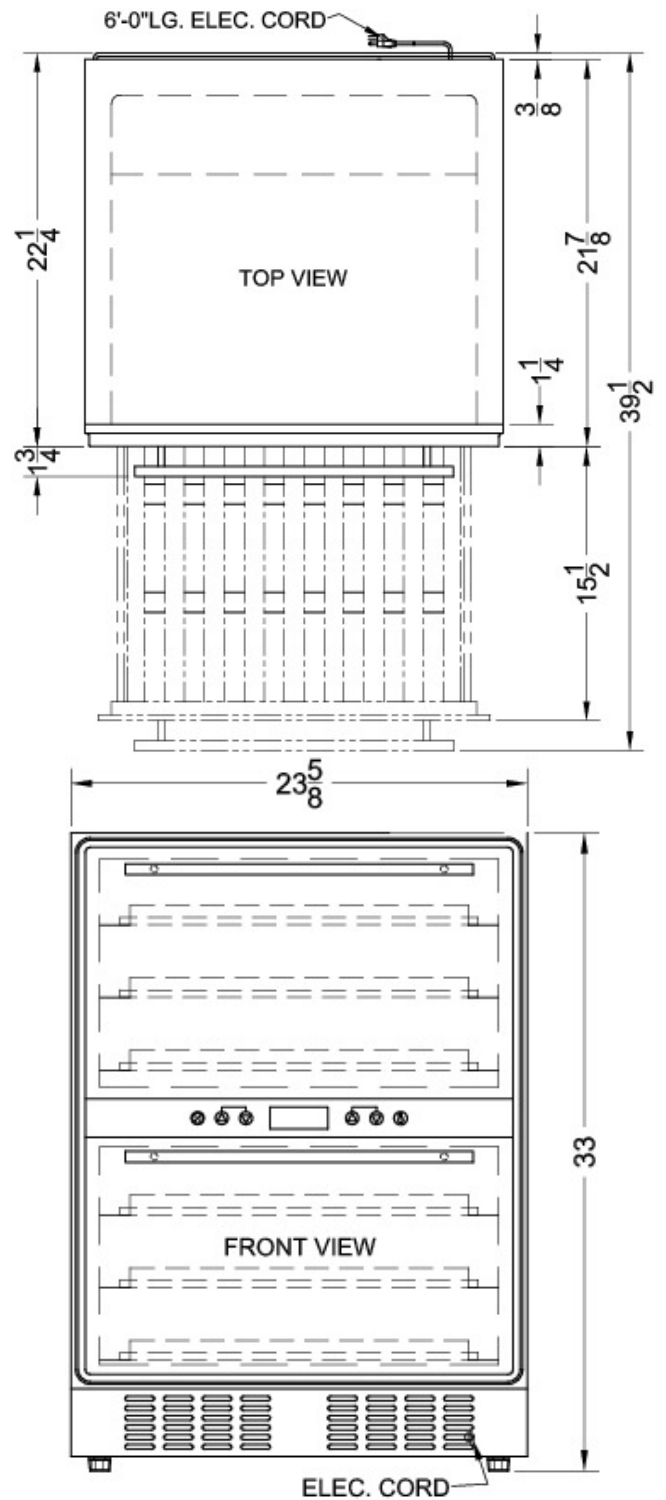

Sleek black glass drawer fronts accented with our signature stainless steel handles

|                              |  |
|------------------------------|--|
| Built-in capable             | Front-breathing system allows built-in installation under counters   |
| Fully finished black cabinet | Allows the unit to be used freestanding  |
| Black glass drawer fronts    | Elegant yet unique look completed by sleek stainless steel trim  |
| Two temperature zones        | Lower zone is ideal for storing red wine (temperature range: 50°F to 65°F) while the upper zone accommodates white and sparkling wine stored between 41°F and 50°F |
| Digital thermostats          | Set and adjust two temperature zones separately with easy-to-use digital controls with an LED display in Celsius or Fahrenheit                                     |
| LED lighting                 | Gentle blue lighting offers subtle look that won't damage your collection  |
| Wooden wine shelves          | Unique interior configuration features six gliding wine shelves to accommodate up to 45 bottles (capacity depends on bottle type and size)                         |
| Professional handles         | Our signature style in sleek stainless steel   |
| Automatic defrost            | Reduced user maintenance with auto defrost operation   |
| 100% CFC free                | Environmentally safe operation with no ozone-damaging chemicals  |
