

## SOLID TOP COUNTER

### DineXpress<sup>®</sup>

Counter options and laminate panels available. Stainless steel panels standard.

#### Application

The DineXpress Solid Top Counter is designed to support the DineXpress line-up with service of food or non-food items served at room temperature. All DineXpress units are compatible and will interlock with other DineXpress units.

#### Construction

**Top:** Top is constructed of 16-gauge 300 series stainless steel and reinforced.

**Front and End Panels:** Exterior front and end panels are constructed of 18-gauge stainless steel. These panels can be removed without use of tools.

**Corner Posts:** The corner posts are constructed of 14-gauge stainless steel.

**Casters:** Solid Top Counters are mounted on 5" heavy duty, non-marking swivel casters 2 with brakes.
