

DROP-IN RACK DISPENSERS

Item Numbers Drop-In Single Open Base

- DXIDRD1020
- DXIDRD2020
- DXIDRDS1020

Application

This self-leveling style rack dispensers can be found in tray lines, or any place your needs require.

They are made with all-welded stainless steel construction and accept racks on a stainless steel spring-loaded, self-leveling carriage. Unit hangs from counter cutout by a 14-gauge top flange, welded to unit frame. Carriage features banks of tension springs on two sides. Spring tension for carriage is field adjustable without tools by hooking or unhooking springs to or from the carriage, providing proper dispensing level.

Construction

Carriage also features sets of nylon roller guides on all four corners to provide smooth leveling movement inside the unit frame. Lower frame is made of .120 x 1" x 1" stainless steel.

Warranty

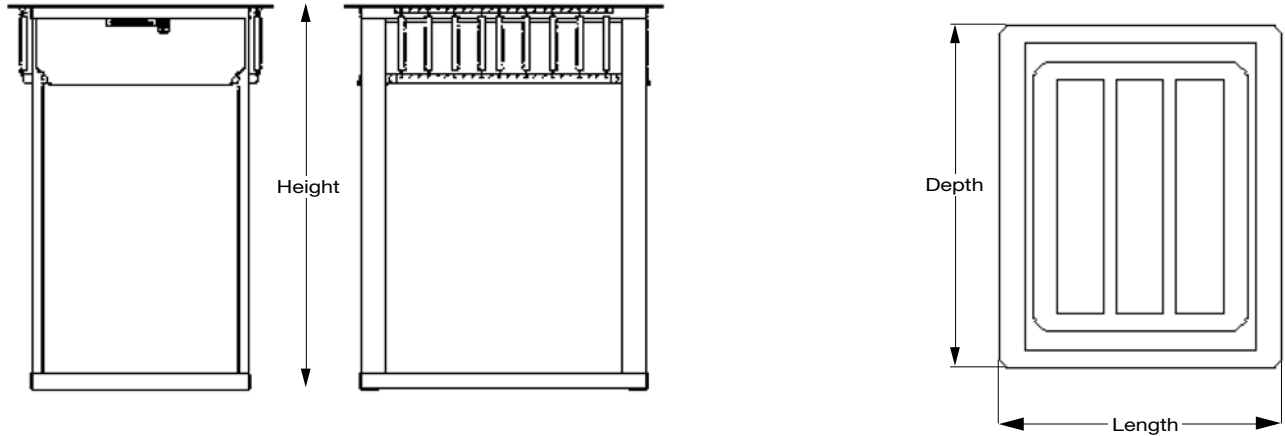

One year parts and labor.
