## T22 Grip True® Safety/Anti-fatigue Matting

Available Colors: Red, Black

Grip True® is a lightweight anti-fatigue mat with an aggressive top service for outstanding traction in wet or greasy areas. Available in general purpose (black) and heavy-duty (red) rubber compounds for varying degrees of grease and oil protection, Grip True® has a unique sure traction design with gripper treads on the underside keeping the mat firmly in place. Its' lightweight design makes it a perfect choice for applications where the mat is routinely moved for cleaning, and its' low-profile allows for cart traffic. A drainage system facilitates the removal of liquids and debris from the work area further adding to the anti-slip properties of the mat.

### General Purpose Black

QUALITY METER	FAIR	GOOD	BETTER	BEST	ULTIMATE
