

Your Soft Serve Profits will Soar when you offer your Customers "Marvelous Mix-Ins"

Mix-In Blender

 **STOELTING®**

Start with your favorite flavor of soft serve ice cream, ice milk, or frozen yogurt and blend in your customer's choice of add-in ingredients such as: malted milk balls, nuts, oreo cookies, M & M candies, bananas, strawberries, etc. With a foot-operated variable-speed control and a blade design that is easy on cups, the Mix-In Blender from Stoelting lets you make a wide variety of high profit specialty items quickly and easily. The versatile Mix-In Blender also doubles to make standard shakes, freezes and sodas.
