Description

SHAVED ICE MACHINE

The professional operators asked for it – a heavier duty, more powerful shave ice machine for those busy spots on the midways, family entertainment centers, shopping malls, etc. Gear drive 1/3 HP motor never lets you down.

Do you need continuous peak Shave Ice production 10 or 15 hours a day? You'll get it with the heavy duty #1027 Deluxe Hawaii's Finest® Ice Shaver from Gold Medal. Don't be jealous of the Shave Ice operator who has them standing in line for \$2.00 a serving when you can't get 75 cents for a Sno-Kone on a crowded midway! Beat them at their own game with the #1027 plus Gold Medal's outstanding line of flavor concentrates.
