**Model Number:** 2205

**Description**

**LARGE CHILI WMR W/DIPPER**

Hot dogs sell better with Chili Dog Dressing. Small locations should use the smaller #2202. Busy locations should use the dipper style #2205. If you have a rather "cheap" chili dog dressing, it might pump through the #2198 heated spout style Chili Dog Warmer. The Vanee Brand pictured above is too rich and too thick – because it has a lot of ingredients in it – it's not all red water plus thickeners! Both have adjustable heat controls. Stainless Steel insert bowls must be ordered separately – order the size appropriate.
