

MORE MOBILE MERCHANDISING

CARAMEL CORN

A

#2618 Mini Three-in-One Lobby Master

Merchandising Wagon comes with #2626 2½ gallon Caramel Corn Cooker Mixer and built in Karamel Kool system. Includes a #2552 Popper and #2346 Cheese Shop.

B

#2627 Karamel Baby Two-in-One

Merchandising Wagon comes with #2626 2½ gallon Caramel Corn Cooker Mixer, built-in Karamel Kool system, and a #2552 Popper.

C

#2619 Three-in-One Lobby Master

Merchandising Wagon shown with #2175ER 5 gallon Cooker Mixer (sold separately) and includes a built-in Karamel Kool system. It holds a #2554 Popper and #2703 Cheddar Tumbler, which are sold separately.

D

#2625 Karamel Master

This mobile rolling cabinet creates an attractive merchandising set up. Comes complete with Mark 10 Cooker Mixer and Karamel Kool System.

Karamel Kleen **E**

#2614 Karamel Kleen

This is the only self-enclosed caramel corn machine. It has the same air filter system as the PopClean™ that captures the steam & oil while letting the enticing aroma escape. Includes the Mark 10 Corn Treat Mixer and animated caramel corn sign to grab your customers' attention.

New!

F

10 & 20 Gallon Twin Caramel Corn Machines

Double up on your batches and your sales with a Twin Caramel Corn Machine. Shown with #2411E and #2410 on a #2622KKD table (or you can order the #2622KKDL for the lift). For a 20 gallon add #2620 & #2621 - 240v/50-amp or #2630 & #2631 - 208v/50-amp
