3040-00-000 - Accu-Breeze® Cotton Candy Machine

Accuracy is a must when it comes to the temperature and voltage of your cotton candy machine. The Accu-Breeze® Cotton Candy Machine #3040-00-000 has an accu-heat control to maintain consistent voltage and automatically adjust heat as needed. This cotton candy machine features a 5" Tubular heat element and a 2 switch operation (heat and motor) to make 2-3 servings per minute. Now also included, the new style Lock-N-Go handles, redesigned bell housing sugar seal, bowl positioning brackets and flip down front door for easy serviceability. Try this cotton candy maker at candy stores rental locations and more.

Additional Features:

- 5" Tubular heat element
- Accu-heat control maintains consistent voltage throughout production & automatically adjusts heat
- 2 switch operation (heat & motor)
- Stainless steel cabinet design
