## 3052SR - Auto Breeze with Lock-n-Go™ Handle

Pricing, specifications and availability are subject to change without notice. Images are for representation purposes only and may depict items that are sold separately.

Gold Medal Products is proud to be associated with the agencies noted on the right. Not all equipment is listed with all agencies. Please call 1-800-543-0862 to request the agency approvals for any specific model.

A larger tubular heat element allows this model to produce twice the cotton candy as the regular Breeze. Accu control perfectly adjusts the voltage for perfect results. No other adjustments are needed for this single switch operation machine. Auto cool down simplifies the operation of machine by preventing spinner head clogging. Features a 1/5 H.P. spinner head motor, and a 1500 watt heat element. Requires a 15 amp plug and 1440 watts.

### Additional Features:

- Lock-n-Go™ handle for easy transport
- Automatic cool down and heat adjustment
- Blinking light indicates low voltage (below 105 volts)
- Single switch operation
- Stainless steel cabinet
- Aluminum floss bowl
