* See charts on back page for complete model numbers.

- Cart covers help prevent airborne contaminants from resting on items stored on Eagle carts. Cart covers are also a good means of deterring pilferage.
- Lightweight and easy to handle.
- Reinforced corners for added life.
- All covers are available with either velcro closures or poly zippers made of extra-strength polyester tape with nylon teeth and 1" (25mm) pull reinforced at top and bottom.
- Uncoated covers: 100% polyester, machine-washable.
- Coated covers: Herculite Staph-Check™** coated fabric vinyl nylon, which is waterproof, fire-retardant, and resists tearing, odor, mildew, and flames.
- ESD***: These cart covers are electrically conductive, antibacterial, antistatic, flame retardant, waterproof, tear resistant, reinforced vinyl laminate fabric. Includes a flap on one side, brass zipper and paperwork pouch.
- Transparent: 20 gauge clear vinyl that allows for ease of viewing cart contents.
- Many sizes available to fit virtually any application.

** Staph-Check is a trademark of Herculite Protective Fabrics Corporation.
*** ESD (Electrostatic Discharge) covers are for material handling only.

Options / Accessories

- Powder blue color*
- Light green color*

* Available for coated and uncoated covers. To order, add suffix "LB" (powder blue) or "LG" (light green). Example: CVC-63-2436LG
