CONVEYOR TOASTER

ALL STAINLESS STEEL

Fleetwood by Skymssen Conveyor Toaster can generate up to 300 toasts per hour. A 2" product opening allows for bagels and buns to be toasted as well. Variable speed and temperature controls provide optimum results in toasting color. Standby switch conserves energy during slow periods and allows fast results without the need to preheat. Unit can be set for front or rear service for your best convenience. All stainless steel construction. Conveyors and crumb tray are easily accessible and simple to clean.
