

DB-6

12 lb POTATO PEELER

EL-10

22 lb POTATO PEELER

Specially designed to make the day to day operation of commercial kitchens easier. Fleetwood by Skymssen's Peelers model DB-6 with 12 lb capacity and EL-10 with 22 lb capacity are practical, modern and easy to operate. Basic operation of rotating carburetdum disc with running water to gently remove peels from potatoes and other vegetables. Standard 5 minute timer insures highest yield and un-attended operation. Body door and outlet drain all in stainless steel. Solid metal cover with inspection hole. Either of these units easily become necessary tools in Restaurants, Hotels and Fast Food Outlets. Both units are table top operation.
