TABLE TOP MEAT AND BONE SAW - STAINLESS STEEL BODY

Fleetwood by Skymssen's medium duty Meat and Bone Saws are designed for mid sized Butcher Shops and Restaurants. Model MSK is constructed of steel with paint finish, while model MSKL is all stainless steel. Both models have a 9" cutting clearance and use 74" blades. New economy model MPL is constructed of stainless steel and uses 68" blades. All models are ideal for those with limited space but requiring a saw capable of cutting all types of products.

TABLE TOP MEAT AND BONE SAW - STAINLESS STEEL BODY

All models have easily removable upper and lower wheels and doors with smooth surfaces for easy cleaning and feature adjustable guide that slides down to expose only blade that is being used. MSK and MSKL come standard with cut regulator that provides slices with same thickness and a stainless steel moving feed tray with a smooth attractive design that permits easy cleaning for sanitary requirements.
