

STAINLESS STEEL UTILITY CARTS

Features:

- **Durable:** All weld construction. Hemmed shelf edges for greater strength.
- **Protection:** Non-marking rubber bumpers on legs and handle protect walls and doors.
- **Quiet:** Sound deadening panels under shelves to minimize vibration and noise.
- **No Assembly:** Ships fully assembled for labor savings. Just unbox and the cart is ready for us.

Model No. 90444 Only

Cart has triangular stainless steel reinforcing gussets welded to the bottom four corners. Top shelf has 16 gauge reinforcements welded to the long shelf edges for extra strength.

300 lb. capacity carts feature 22 gauge shelves and 20 gauge legs

500 lb. capacity carts feature 20 gauge shelves and 18 gauge legs
