KITCHENAID® STAND MIXER ATTACHMENT PASTA ROLLER

KPSA

EXCEPTIONAL PERFORMANCE

- PASTA ROLLER kneads and flattens dough at a low setting, 1 or 2. At settings 3 to 8, the pasta roller further flattens the dough for a wide range of uses, such as thick for egg noodles, medium for lasagna noodles, and thin for spaghetti.

ENDURING DESIGN

- EASY TO USE. Simply attach to the multipurpose attachment hub and the power of the stand mixer processes pasta sheets, fettuccine or spaghetti noodles.
- EASY TO CLEAN. A cleaning brush is provided to easily remove bits of flour and pasta from the pasta rollers and cutters. They should not be immersed in water or put in the dishwasher.
