

## SUPERDECK SERIES 7.5" DECK HEIGHT BRICK-LINED GAS PIZZA OVENS

### SERIES: Y-BL

Bakers Pride® Y-BL series deck ovens are the best-selling pizza ovens in the world. Each oven chamber features a Cordierite brick-lined ceiling and Lightstone fibrament deck with an 7.5" deck height. The Independently controlled top and bottom heat dampers ensure perfectly balanced results. Choose from two different deck areas and overall oven widths (78" or 84") to suit your needs.

This series is constructed with heavy-duty, .25" angle iron frame, which is fully welded to allow for double-stacking. Oven exteriors are all heavy-duty stainless steel and are fully insulated for cooler outer temperatures and consistent interior temperatures.

Options are available to accommodate the configuration of your kitchen, such as side-mounted controls and special-height legs.
