New Generation®

The **New Generation® Server** has become the product of choice among restaurant chains and health care facilities—and for good reason. The ABS faceted construction offers an unparalleled strength-to-weight ratio. And with over 20 color and size combinations, they match nearly every decor. Features a push button top.

Other colors subject to MOQs.

NEW GENERATION PARTS: LID

1 Services Ideas Exclusive Product

CUSTOMIZE IT WITH LASER ETCHING TO:

- Permanently label the contents of your WP Carafes
- Avoid mixing flavors of coffees and creamers after repeated use
- Avoid serving incorrect beverages during table service

SEE PAGE 84 TO LEARN MORE ABOUT CUSTOMIZATION OPTIONS.
