

Blendtec®

BDI
Blender Dispenser with Ice

BRAWN. BRAINS. BLENDTEC.™

BDI

The Smartest Way To Create Frozen Drinks.

Forget the ice scoops and measuring cups, the BDI includes all the features necessary for your blended drink program. This smoothie shop-in-a-box does all the work for you!

The BDI is also adaptable for bar use, and can accurately dispense alcohol for margaritas and daquiris.
