90005 - SALAD DRYER

Heavy-duty construction makes this salad dryer a must have for restaurant use. Whenever salad is served, the highest cost item is the dressing! By using our salad dryer, dressing "Clings" to the lettuce. This not only cuts down on the amount of dressing used but also makes for better presentation. We have incorporated a patented brake system into our dryer. Now you can use a product that will greatly reduce worn gears and possible contamination of your greens.
