

# attachment methods

**METHOD I: SNAP CLIP** – Snap clips fasten into steel snaps that are permanently attached to the skirt header. Clips remain attached to the skirt when taken off the table

but are easily removed for laundering.

**METHOD II: SNUG-TIGHT™ CLIP** – Snug-

tight clips have a hook-side tab on the face and attach directly to the table over the table topper.

The skirting header is lined with a color-coordinated loop-side strip so it attaches easily to the clips.

**A CLIP**  
3/8" TO 1/2" EDGE / FITS HOWE #200 SERIES/ MAYWOOD ORIGINAL

**T CLIP**  
5/8" EDGE

3" WIDE  
FITS 3/4" EDGE

## clips

Snap Drape skirting attaches to the table edge with durable, injection-molded polycarbonate plastic clips which are guaranteed against breakage in normal use. We've specifically designed clips to fit a variety of table edges. Most clip sizes are available in both Snap and Snug-Tight attachment methods. Clips are not shown at actual size.
