

Scotch-Brite™

Power Pad No. 2000

Technical Data

April 2008

Description:

The Scotch-Brite™ Power Pad No. 2000 is an all-purpose hand pad which scours faster than many conventional scouring products but scratches less, made from high quality fibers, scouring particles, and resin.

Special Features:

- Unique bow-tie shape.
- Scours up to 4 times faster than conventional scouring products. Scratches up to 8 times less than other pads.
- Fiber: Contains durable synthetic fibers that are crimped and heat set to develop a strong open web.
- Scouring Particle: Contains unique soil-removing particles effective in scouring, cleaning, and scrubbing. These particles are distributed evenly on the surface and throughout the pad to provide consistent scouring over the life of the pad.
- Resin: Constructed with resin that resists degradation from exposure to hot water, detergents and most cleaning liquids.

Applications:

Kitchen: Ideal for cleaning stainless steel surfaces and appliances, for cleaning and removing heavily baked-on food soil from pots and pans with minimal scratching. Also used to maintain cooking appliances, coolers, ceramic tile, countertops, and maintenance equipment.

Bathrooms: For cleaning sinks, faucets, porcelain and ceramic.

General: Elevator doors, doors, kick plates, desktops, floors,

walls, drinking fountains, lockers, ceramic tile, and glass.

Packaging:

Each Scotch-Brite™ Power Pad No. 2000 is labeled with the manufacturer's name and/or trade name. Cartons are printed or labeled to identify the product by name, size and count.

20 Pads/Case
(20 Pads/Box, 1 Box/Case)

General Use Directions:

The Scotch-Brite™ Power Pad No. 2000 can be used wet or dry to scrub and clean:

- Stainless steel surfaces and appliances, heavily baked-on food soil from pots and pans.
- Cooking appliances, coolers, ceramic tile, countertops, and maintenance equipment.
- Elevator doors, doors, kick plates, desktops, floors, walls, drinking fountains, lockers, ceramic tile, and glass.

Pad may be rinsed out with water or soaked in a cleaning solution to dissolve caked-on soil.

Product Specifications:

(Typical Values)

1. Size:
 - Length: 5.5"
 - Width: 3.9"
 - Thickness: 0.40"
2. Dark blue color

Precautionary Summary:

- Always test product in an inconspicuous area before use, especially on delicate surfaces.
- The Scotch-Brite™ Power Pad No. 2000 is not recommended for use on soft metals, plastic, some painted surfaces, or other surfaces that are easily scratched.

KEEP OUT OF THE REACH OF CHILDREN.
