## The Largest Portable Ceramic Grill Available

Add the Primo GO and the Oval JR 200 grill surpasses all other portable ceramic grills with 210 square inches of cooking area. Add the Optional Rack System and the cooking area soars to 360 square inches. That's more than twice the cooking area of the second largest portable ceramic grill. Grill, bake, roast or smoke for 10 or more people wherever you want to go.

The Primo GO, GO Base and the Oval JR 200 are sold separately.
